OFFICE OF DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

Chairman, Christmas Program Committee
Room 2 E 61, Headquarters

Dear [REDACTED]

I am sure that our most attractive Christmas decorations, the singing of carols, religious services, in fact, our whole Christmas program, have contributed greatly to the pleasure of our personnel and to their pride in the Agency. The religious theme of the program has served to remind us all of the real meaning of Christmas.

I know that many Agency employees contributed willingly and generously to these activities and I am grateful to all of them. I should like especially to commend you and the other members of the Christmas Program Committee for organizing this program and for doing so much to ensure its success.

Faithfully yours,

[REDACTED]
